DVD’s/TV Shows

The Discovery Orchestra has produced four TV shows that American Public Television has broadcast or is broadcasting nationwide.

Our fourth and most current show, *Fall in Love with Music*, was filmed in 2015, and consists of eight 30-minute episodes. The DVD is available for purchase now, and nationwide broadcasts began April 1, 2016.

Each of our other three shows are in our signature Discovery Concert format – an interactive, musical exploration – that can be purchased on DVD. Each DVD contains a Listening Guide – a printed ‘roadmap’ to help you notice more detail in the music.

*Discover Vivaldi’s Four Seasons.* Two one-hour shows filmed in May, 2012 at Drew University in Madison, N.J. Available for purchase now.

Testimonials

"I heard music from Mozart, Beethoven and others on the radio. I never understood anything, and I was lost in trying to figure out what this music was about. But this show brought clarity, and an understanding of the music, which I really appreciate."

The Elements of Music: Episode 4—Fall in Love with Music

26 MIN.

In this musical education program, Maestro George Marriner Maull presents viewers with a definitive list of musical elements on which a perceptive listener can focus as music is performed. He defines and provides examples of rhythm, melody, texture, harmony, dynamics, timbre, and form. He uses excerpts from Mendelssohn's Symphony No. 4 and works by Bach, Bartok, and Mozart to emphasize and flesh out...

Fall in Love with Music

240 MIN.

Based on the precepts and teaching strategies of his mentor, Dr. Saul Feinberg, Maestro George Marriner Maull's popular listening course, Fall in Love with Music, has been enjoyed by thousands of participants in lecture and classroom settings over the past 35 years. This series from The Discovery Orchestra configures this four-hour course into eight 30-minute episodes.

How Listening Affects Us: Episode 5—Fall in Love with Music

26 MIN.

Why do we feel so emotionally affected by certain moments in a musical composition—to the point of getting goose bumps or even tears? In this musical education program, Maestro George Marriner Maull begins with a mental puzzle to show how composers cross boundaries to create effective
