13. What issues do you see in this area and how can you assist local districts in addressing school infrastructure needs in both SDA (Schools Development Authority) districts and regular operating districts? (answer type: Long Text)

The governor needs to release these funds asap.

14. As a legislator, will you support professional educators in their work with their students and avoid the temptation to mandate specific programs for every school district as we work to meet the individual needs of each student, school and district? How will you support the work of educators and principals in your district? (answer type: Long Text)

I do not support state curriculum mandates.

15. Do you believe New Jersey students should pass a state graduation test or demonstrate proficiency in math and language arts standards as described above to earn a high school diploma? (answer type: Long Text)

No

16. As a legislator, what will you do to promote education as a positive career path to our youth and what types of initiatives will you consider to enhance the educational career pipeline for the future? How will you promote diversity within our future workforce? (answer type: Long Text)

I will continue to highlight education as a positive career path. Making education a sought after profession will naturally increase diversity as the applicant pool expands.

17. Will you vote for legislation (S-3284 (Greenstein)/ A-5011 (Wimberly)) that provides the same accidental death benefit to school employees who lost their lives in the service of their school community while performing such essential services? (answer type: Yes/No)

Yes

18. Thinking about the future, what are your goals for our public education system and what actions will you take as a state legislator to support our educators, our students and our schools? (answer type: Long Text)

Fix the school funding formula to ensure districts receive their fair share.
