**Your Voice,
Your Power...**

Your PAC

Join NJPSA-PAC today and help us to shape the future of public education in New Jersey.

NJPSA is leading an aggressive campaign to ensure that your voice as a school leader is heard by state officials who make major decisions concerning the welfare of New Jersey's educational system. In recent years, the number of PACs has grown as businesses and other professional organizations have realized the critical necessity of supporting candidates who support their priorities. **Here at NJPSA, we know just how important this is and we strongly urge you to join NJPSA-PAC!**

With so much at stake in education today, we cannot afford to sit on the sidelines. New Jersey has always ranked near the top when it comes to state spending on K-12 education, but with difficult economic times come tough decisions and more pressure on lawmakers to balance the budget. NJPSA must be an integral part of the legislative process and be certain to have a seat at the table when these hard decisions are being made. Your contribution will give us that opportunity!

Whether its tenure rights, pension benefits or administrative caps, we need to make sure that lawmakers know just how important these issues are to our members. Your contribution will ensure we can do that!

Join NJPSA's Political Action Committee today! For a minimal contribution of just \$25, you can ensure that your voice will be heard!

Your contribution to NJPSA-PAC will ensure that:

1. School leaders remain visible in the eyes of key state lawmakers;
2. We support state lawmakers who support us and support our schools;
3. We have a voice during the legislative process on issues that are critical to our students, our schools, our communities and our profession;
4. We have the resources necessary to educate NJPSA members about their role in the legislative process;
5. We can engage lawmakers regarding the challenges faced by school leaders; and
6. We have the opportunity to work directly with lawmakers to help shape policies which benefit the entire educational community.

How much would you spend to ensure that your professional interests are protected? By contributing \$25 or more today, you are helping secure your future in public education!

Joining NJPSA-PAC is easy!
