at the FEA Conference Center

12 Centre Drive, Monroe Township, NJ 08831

Join NJASA and NJPSA staff and members for this valuable experience for your leadership team to learn about a new tool, the Professional Standards for Educational Leaders (PSEL) Reflection and Growth Tool.

This free tool is a set of questions that align to the new educational leadership standards. They include the critical actions that are important for a full understanding about how the standards can positively impact all NJ leaders. The focus is on helping all leaders to grow in the practices that result in higher levels of student learning. You will learn how the reflection tool will enable you to:

- Understand the impact the new standards will have on leadership in your school and district;
- Reflect on your own practice;
- Drive collaborative conversations with school/district leadership team to explore how these standards can build collective capacity to achieve school/district goals; and
- Develop a shared district mindset of what powerful leadership looks like in action.

Teams of central office and school leaders are encouraged to attend.

**There is no cost, but space is limited in both the morning and afternoon sessions.
