

# Leader and Principal Supervisor Standards

A Joint Focus on  
STUDENT LEARNING

# Comparing Old and New Education Leadership Standards

- ▶ What do you notice?
- ▶ Study the new Standards 3, 4, 6 and 11
  - Is the standard reflected in the Guiding Principles?
  - Is the standard reflected in the CAR process?

# Principal Supervisors Standards

- “Traditionally, principal supervisors have focused on ensuring that school leaders, and the buildings they run, comply with local policies and state regulations.”
- “ Recent research suggests that principal supervisors can positively affect student results by helping principals grow as instructional leaders.”
- “Principal supervision should be driven by a vision of the supervisor and principal as leaders of professional learning communities.”

What is our role in helping our members in the shift to instructional leadership?

How can NJPSA/FEA continue to support strong instructional leadership at every level?

How can the Boards of Directors help support this message?
