Unpacking and Taking Action With Your School’s NJ Performance Report

Jan. 22, 2020; 9 am - 1 pm
at Foundation for Educational Administration Conference Center
12 Centre Drive, Monroe, NJ 08831

Presenter: Anthony Scotto, Director of Curriculum & Instruction, Hamilton Township School District

Your school’s NJ Performance Report includes a wealth of data, but transforming that data into actionable steps can be challenging. During this session, participants will work with their own performance reports* to apply a “step-by-step” process to interpret each section of the NJ Performance Report. Strategies and tools for developing a plan to promote school improvement will then be shared and next steps explored including communicating the performance report to district faculty and other stakeholder groups. *Participants should bring a printed or electronic copy of their own performance reports.

This session would be an ideal in-district program to bring to your district.
