About Your AP Exam E-Ticket
You Need an AP Exam E-Ticket to Test

- You'll receive your e-ticket by email two days before each test. On exam day, you'll need this e-ticket to check in to your exam.
  - You'll get a unique ticket for each exam you're registered for.
  - You can also access your e-ticket in your student account on My AP (myap.collegeboard.org).
- Each e-ticket is personalized for YOU and isn't transferrable.
- DON'T SHARE your e-ticket with anyone—you could lose your chance to test.
- The AP Program can't accept any additional exam registrations for this year's online, at-home exams.
- Make sure to save your May e-ticket email in case you need to request a makeup exam.
Your e-ticket will be valid for the May exam schedule.

- All registered students have been scheduled for these May dates, whether or not they were originally registered for regular or late-testing exams.
- Unless there’s a significant conflict, students should test in May so they have the June dates as a backup if they have any disruptions.
- If you can’t test on one of these dates, don’t use your e-ticket for that exam—you’ll automatically receive a different e-ticket for makeup testing in June.

All Exams Offer a June Makeup Date

- Reminder: If you have a conflict in May and don’t use your May e-ticket, you’ll automatically receive a June e-ticket for that exam.
- You’ll also be able to request an e-ticket for June makeup dates if you have any disruption during your May exam.
- You’ll receive your makeup e-ticket two days before your exam.
- There are more exam conflicts in June, and no additional scheduled makeup dates after June 1 - 5, so test in May unless it’s not possible to do so.

The exam questions are viewed by students in a web browser, like Chrome. Students type or write their responses outside that browser. They then choose from three options to submit responses:

- Copy and paste a typed response.
- Attach a typed response.
- Attach one or more photos of a handwritten response.

Music theory and world language and culture exams have specific requirements on slides 15-16.
Music Theory Exam

Best device to use: smartphone or tablet

Before the exam:
- Print or copy by hand the 2020 Question 1 Music Theory Answer Sheet. Download at cb.org/apexamdaydocs. TIPS: Prepare extra answer sheets in case of mistakes; have extra staff paper for scratch work.
- Make sure you have an audio recording app or audio recording software, such as Recorder, Voice Memos, GarageBand (or Audacity, if you’re using a computer) to record your sight-singing performance.

On exam day:
- Copy by hand portions of Question 1 onto your answer sheet, and then complete the question.
- Take a photo of your completed answer sheet, attach it, and click Submit before time expires for Question 1.
- Follow the directions to record your melodies for Question 2, pausing when instructed to ensure that both melodies are included in a single audio file.
  - Accepted file formats: .m4a, .mp3, .wav, .ogg
- Attach your file, and click Submit before time expires for Question 2.

Detailed information about Music Theory exams is available at cb.org/apmusictheory.

REMEMBER:
You must have your own recording app or software.
World Language Exams

Required device: iOS or Android tablet or smartphone; these exams CANNOT be taken on laptop or desktop computers

- World language and culture exams (Chinese, French, German, Italian, Japanese, and Spanish) consist of speaking tasks only.
- Before the exam, you must download the free AP World Languages Exam App—available in both the Apple App Store and the Google Play Store.
  - Practice using the app (before exam day, the app is in practice mode).
  - If asked, grant the app permission to access your microphone.
- Headphones with microphone are permitted but not required.
- Exam day readiness check:
  - Make sure your tablet or phone can access the Internet by Wi-Fi or cellular data, has at least 30MB of available storage, and is charged to at least 25% battery or is plugged in.
  - Make sure the AP World Languages Exam App is closed on your device before you click your e-ticket to get started.
  - Taking the exam:
    - Check in to your exam with your e-ticket on the device that has the AP World Languages Exam App installed. Complete any requested information.
    - When prompted, select Start My Exam to launch the app and complete your exam.
    - If asked, grant the app permission to access your microphone.
    - The app will automatically record your responses and submit them.

Practice with AP World Languages Exam App.

Available for download the week of May 11.

Testing with Accommodations

Details at cb.org/ap2020accommodations

- Students with approved accommodations don't need to submit any further requests.
- Extended time will be provided through the online exam.
- Online AP Exams will be compatible with assistive technology (e.g., screen-reader software) and zoom functionality in a browser.
- Students approved for screen-reader software should ensure it works with Chrome, Firefox, Safari, or Microsoft Edge because Internet Explorer can't be used for AP testing.
- Students approved to use specific devices or aids may use what they have access to at home.
- Students approved for a reader or scribe may be assisted by a family or household member while testing.
- **Temporary Afflictions:** A student who has a temporary medical or physical condition (e.g., an injured hand) may request temporary assistance if needed to take the exam. Review details at cb.org/ap2020accommodations.

As always, students may only use accommodations that they've been approved for by College Board Services for Students with Disabilities (SSD).
Requesting a Makeup Exam

• If you have any issue on exam day that prevents you from testing successfully, you'll be directed to an online AP Makeup Testing Request Form where you can describe what happened and request an e-ticket for a June makeup exam.
• You can also access the form at cb.org/requestmakeup
• You must have your original e-ticket when filling out the form.
• Submit the form within 48 hours of your original exam date.
• We will review your form and send you an email approving or denying the request the week of May 25. If approved, your makeup e-ticket will be sent two days before the makeup test.
• Do not call AP Services; the pandemic has closed call centers and you will simply hear a message directing you to fill out the form and await the approval email.
• Rest assured that you will receive approval for any of the following types of issues you encounter, or similar ones: sickness; significant interruptions from family members; battery failures; power outages; technical disruptions. Note: simply running out of time to submit a response on exam day is not a valid reason to request makeup testing.

The makeup testing request form is ONLY for students who test in May, encounter issues, and need another opportunity to test.

Students that already have known conflicts with the May dates can test in June simply by not using their May e-ticket – they will automatically be issued a June e-ticket.
The exam screen will guide students step by step on test day from the moment they click their e-ticket. Most students will be able to navigate the test using only the information on the preceding slides.

But unexpected events may occur when testing at home, and some students will benefit from additional preparation and technology checks.

The remaining slides provide further details and tips. We encourage teachers and students to work through the remaining slides together to confirm readiness for at-home AP Exams.
Five Steps to Take Before Exam Day
Five Steps to Take Before Exam Day

We have a simple checklist you can use to make sure you’ve completed these steps.

1. Review Your Contact Information
   - If you aren’t receiving emails from the AP Program, log in to My AP to see the email address you used when you registered to test.

2. Check Your Tech
   - Choose and prepare the device and documents you’ll use.

3. Practice Submitting Your Response
   - An online AP Exam demo will be available on May 4. The AP World Languages Exam App will be available by the week of May 11 and includes a practice mode.

4. Gather What You Need for Each Exam
   - Consult cb.org/apexamdaydocs to download, print, or gather additional materials for your specific exams.

5. Receive Your Exam Confirmation and E-Ticket Emails
   - You’ll get emails with your AP ID and your exam e-ticket. This information will also be in your My AP account.
Use the AP 2020 Exam Demo to Practice and Test Your Tech

Practice submitting responses with the exam demo.

From May 4, you can access an AP 2020 Exam Demo at cb.org/apdemo. It will allow you to practice the different ways to submit your responses. If you can’t connect to this demo from your planned testing device, you’ll not be able to access the real exam on test day. Update your browser (see tips on slide 51). Then try again. If you still can’t access the Demo, ask for your AP coordinator’s help to contact your school’s tech experts for assistance.

World language students can practice with their exam app.

Beginning the week of May 11, if you’re taking world language exams, download the AP World Languages Exam App. Before your exam, use the app’s practice mode to become familiar with its features, test your technology’s compatibility, and check the quality of sound in your intended exam location. After you practice using the app, you must close it on your device before testing.

Advice About Optional Resources

You can use class resources and class notes on this year’s AP Exams

- The following resources can be used, either printed or digital
  - Class notes or study guides
  - Textbooks and other classroom resources
  - Previous assignments or assessments
  - Calculators for certain exams
  - Note: Shared study notes must be downloaded to each student’s device to prevent collaboration violations

Internet searches will waste your time and put you at risk of an exam violation:

- The more time you spend searching the web, the less time you spend answering exam questions
- Internet-based facts, research, and opinions aren’t relevant to the AP Exam and won’t raise students’ scores
- Copying from websites, social media, or online forums is considered plagiarism and will be detected and scores cancelled.

Best practices can be found at cb.org/apopenbooktips.
Look for Your Exam Confirmation and E-Ticket Emails

May 4

- You’ll receive an exam confirmation email on May 4 with your AP ID and a list of the exams you’re registered for.
- In the meantime, you can check which exams you’re registered for in My AP.
- If you’re not listed as registered for an AP Exam, you weren’t part of the exam registrations we received from your school, and it’s too late to generate an e-ticket for you to test this year. There is nothing we can do about this. You can take a CLEP exam for credit on a college campus, or you can take this AP exam in May 2021.

Two Days Before Each Exam

Two days before each exam, you’ll receive an email with your personalized e-ticket and AP ID.

Remember, you’ll need to click your e-ticket containing your AP ID to access your exam.
Complete the AP Exam Day Checklist

The 5 Steps we’ve just covered are listed in the AP Exam Day Checklist.

Students should fill out the checklist, and keep it next to them during testing.

- Download the checklist at cb.org/apchecklist
- Print or hand copy the AP Exam Day Checklist for each exam you take.
- The most important thing to fill in is your 8-character AP ID code, which is located on your e-ticket—you’ll need this code to check in to your exam 30 minutes before your local start time.

Your Testing Environment

- Do your best to test by yourself in a quiet room.
  - Remove distractions.
  - Enable the **do not disturb** or quiet setting on your device.
  - Let your parents, guardians, siblings, and friends know when you’ll be testing so they don’t disturb you.
- Make sure your device is plugged in.
- If you have limited bandwidth, ask others on your network to limit their use of the internet during your exam, particularly high bandwidth activities (e.g., games like Fortnite and streaming services like Netflix).
- Have your checklist and any required documents next to you.
Exam Security

You may not incorporate work which is not your own, and you may not provide or receive aid of any kind from anyone.

To identify students attempting to receive help through the web, a phone, or social media, sophisticated detection technologies and processes will be applied. Most techniques will remain confidential to maximize their effectiveness. We will be monitoring social media and discussion sites to detect and disrupt cheating. We may post content designed to confuse and deter those who attempt to cheat. Attempts to cheat will be detected immediately during testing or will be identified in June and July simultaneously with exam scoring.

In addition, students' exams will be:
- Scanned by plagiarism detection software
- Shared directly with their teachers

Students found violating exam security will face severe consequences, which can include having their:
- Names reported to college admissions offices for attempted cheating
- AP Exam scores cancelled

More about exam security can be found here. You can report any cheating attempts here: collegeboard.org/reportcheating.
Check in to Your Exam

- **30 minutes before the start time for your exam,** check in by clicking the specific e-ticket for that exam.
- You’ll need to spend a few minutes passing through various security filters to confirm your identity.
- A timer will show how much time remains until the start of the exam.
- Once the exam starts, **the first exam question will automatically appear**. You **SHOULD NOT** refresh your browser.

Answering the Exam Questions

- For most exams, the question is divided into parts, labeled in alphabetical order. Use those letters to organize your response and make sure you’re not accidentally skipping any part.

- You may use spell check and grammar check, but these will not provide an advantage. If you’ve installed a Grammarly plug-in, disable it or the exam won’t function.

- You may print the test questions and annotate them if you like, but you can’t use annotation software to annotate online.

- Exams with more than one question: You won’t be able to move on to the second question until the time for the first question has fully elapsed. Once the time for the first question has finished, the second question will automatically appear. Once you submit a question, you can’t go back to it.
Managing Your Time

- During the exam, you’ll see a timer at the bottom of the screen showing how much time remains to create and submit your response. Keep that timer visible.
- Five minutes before time is up, the timer turns red. You’ll see a pop-up reminding you to submit your response. STOP where you are and copy/paste or attach your work. Then click Submit.
  - You can still earn a 5, even if you don’t finish a response.
  - If you don’t submit your response on time, you won’t get any credit for it.
- Losing track of time and not submitting a response before time runs out is not an acceptable reason for requesting makeup testing.
- AP will set standards for scores of 3, 4, and 5 this year so that it’s not more difficult to earn high AP scores this year than it was in prior years.
Submitting Your Response

• Submitting responses is a two-step process:
  1. Attaching or pasting your response
  2. Clicking Submit

• If you don’t click Submit before the timer runs out, your response will not count.

• Once you click Submit, your response may continue to transfer, depending on your bandwidth. This is fine. You will be able to move on to the next question, even while your first question continues to transfer, so long as you clicked Submit before the time ran out.

• If your response continues to transfer after the exam ends – wait for an on-screen message confirming that your exam is complete—make sure your submissions have fully loaded before you close your browser or turn off or restart your computer.

• If you never see that “Your AP Exam is Complete” message, you should go to cb.org/requestmakeup to explain the situation and request an e-ticket for the June make-up date.
What Could Go Wrong While I’m Testing?

- If you accidentally close the browser, your device crashes, or you temporarily lose internet access, you can quickly click your exam e-ticket again to return to the exam.
  - Continue the exam, and if you feel at the end of the exam that the temporary disruption negatively impacted your performance, you can request approval to take the makeup exam at cb.org/requestmakeup.
  - Tip: During the exam, don’t refresh your browser or hit the back arrow.
- Don’t call: Customer service centers won’t be open due to the pandemic. If you lost too much time to a technical problem, aren’t able to connect to your exam, or experienced some other serious disruption, you can request a makeup exam.
Exam Scores, Credit, and Placement
2020 AP Exam Scores

- As usual, 2020 AP Exams will be scored by AP readers, who are college professors and experienced educators in each exam subject. Scores will be reported on the usual 1–5 scale.

- To accommodate the extended scoring schedule, which requires all exams to be scored online in readers’ homes, AP scores will be released to AP students approximately one week later than usual, beginning about July 15.

Remember to use your free score send!

Sign into My AP no later than June 20 to indicate which college or university should get your scores. After June 20, there’s a $15 fee for each score report sent ($25 per report for rush processing).
Credit and Placement

“UC recognizes the effort that students have already applied in these challenging courses and will award UC credit for 2020 AP Exams completed with scores of 3, 4, or 5, consistent with previous years.”
—The University of California System

“Purdue will continue to accept AP credit as usual.”
—Purdue University

“University of Connecticut fully supports the changes to the AP Exam made by College Board. We understand students need flexibility at this time of crisis and are committed to honoring the AP credit they earn.”
—University of Connecticut

“Despite significant changes surrounding the administration of AP Exams, Vanderbilt has decided that our current policies for AP credit will remain in effect for the class entering in fall 2020.”
—Vanderbilt University

A few examples of the consistent support we've heard from colleges and universities nationwide.
Credit and Placement

“Marquette will award credit for achievement on AP Exams.”
—Marquette University

“WMU will not penalize students who must take online AP Exams this spring and will continue to award credit as we always have.”
—Western Michigan University

“Boston College will continue to acknowledge our incoming students’ aptitude and hard work in rigorous academic coursework by maintaining our Advanced Placement policy which allows students to use qualifying scores to fulfill requirements in the University Core Curriculum.”
—Boston College

“We understand that this is stressful when students have worked so hard taking these rigorous classes. We have kept our transfer credit policy in place, and we will honor the AP scores for all exams taken in spring 2020.”
—George Washington University

A few examples of the consistent support we've heard from colleges and universities nationwide.
During this challenging time, the AP Program wants every interested AP student to have the opportunity to earn the college credit they've been working toward all year.

Stay safe and healthy.
