

# Help make an imPACT!

**Drive the conversation in 2021 by contributing to NJPSA's Political Action Committee (NJPSA PAC) today! Your donation of \$40 or more helps NJPSA advocate for you on issues that matter!**

At this critical time, with school reopening, health and safety, technology and infrastructure, regionalization and assessment all in the spotlight, we need a unified, AMPLIFIED voice in Trenton!

**Your past financial support has helped NJPSA influence student, staff and school leaders needs during the public health crisis:**

- **School Funding** (encouraging the Legislature to adequately fund our schools);
- **Pension Funding** (this year's budget contains the largest pension payment ever!);
- **Student Assessment** (NJPSA is advocating for educator engagement in the development of NJ's next assessment system and that current students are not negatively impacted during the transition period);
- **TEACHNJ** (guaranteeing only properly certificated supervisory employees are conducting evaluations); and
- **Regionalization** (no forced school consolidations or regionalization in New Jersey)

**In these challenging COVID times, we need you more than ever to support NJPSA's advocacy efforts!**

## **Thank You!**

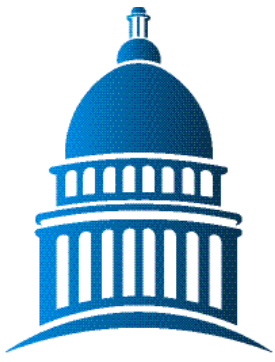

Your contribution (minimum of \$40 to recognize NJPSA's 40th Anniversary!), helps ensure that school leaders remain visible in the eyes of State lawmakers and that NJPSA supported legislation is considered.

**Help guarantee that your economic and professional needs are addressed in our laws and regulations. Do that through the power of the purse!**
